At Fleet Feet Sports, we believe that the fit and function of apparel is what makes you feel more comfortable for any activity. Just as everyone's feet are different, everyone's body type and what they like to wear is going to vary.

Fleet Feet Sports carries a wide range of apparel options for running, walking, triathlon, tennis, yoga, pilates, going to the gym, and for everyday, lifestyle use. A lot of our apparel is great for traveling with its comfortable fit, light weight, and ease-of-care materials.

Fleet Feet Sports has apparel to fit all body shapes and sizes. For women, we carry extra small through 3X, and also have short and long options for pants. For men, we carry sizes small through XXXL. We carry apparel from: 2XU, Asics, Brooks, CW-X, Mizuno, Moving Comfort, New Balance, Nike and Saucony. We also have triathlon apparel for men and women by Craft.

The staff at Fleet Feet Sports can help you find apparel that matches your body type and style requirements. It is overwhelming to look at a sea of black shorts or pants and determine what is best for you. Our staff is knowledgeable about apparel features and fit to help you find the perfect apparel.
